Note: When visiting any site and placing an order, remember to check the following:

1. Is the item new, reconditioned, used?
2. What is included i.e.: any network, USB, power cables, and or a power adapter.
3. Till rolls? (Usually a roll supplied with a new printer)
4. Any zebra jewellery / dumbbell labels?
5. Is there a stand / cradle with the scanner?
